

Laser Hair Removal

IPL technology has been proved to permanently reduce hair growth for most skin types. The number of treatments required depends on several factors related to your hair and skin colour. A customized treatment program will be designed for you along with an estimate of how many treatments you may require

Skin Rejuvenation with IPL

As we age we begin to notice our skin showing signs of time, sun damage & lifestyle choices. Skin (photo) rejuvenation offers a dramatic improvement to multiple conditions with little or no down time. This is your opportunity to fade away those lines, take away pigmentation and age spots to leave you with younger, smoother and healthier looking skin.

Area to be treated	Single Session	5 sessions for the price of 4
Sunspots / Pigmented Spots / Age Spots Prices from (size dependant)	£50	£200
Neck or Decolletage	£120	£480
